The Sour Paddy

Backscratcher

20

If you should not know this cocktail, I guess your thoughts will circle around one particular question right now... "What the hell is this thing in the glass?" This is not really surprising, because the garnish for this drink is perhaps one of the craziest ever; if not completely stupid!
kentucky bourbon, dark rum, cointreau, guyana rum, lemon, passionfruit, pineapple juice served in a TIKI MUG

Piña Colada

16

If you like Piña Coladas, and getting caught in the rain then you might like to know that this creation, the national drink of Puerto Rico, translates as pineapple, strained.

The Scorpion Bowl

This fruity libation will make it maita'i roa, Tahitian, they say, for 'very good'.
